children helping children

Bearfoot - Children Helping Children would like to thank  
**Aziz Al Taany Photography**  
for sponsoring and promoting the Bearfoot Teddy Bear Walk  
which took place on Sunday, 15th November 2015 in Limassol, Cyprus.

Your generous support contributed to over 44,000 euros being raised for  
Save the Children's Child Refugee Crisis Appeal and to the collection of 800 teddy bears for refugee children in Cyprus and Greece.

Thank you for sharing our vision and helping to make this event a huge success.  
The children who participated learnt that charitable giving can be both rewarding and fun and that  
**Together we can make a difference.**

With love from,  
**The Bearfoot Team**
